

How to register on BEMORTAL.com

Registering is Free and Easy on Bemortal.com

Bemortal Staff

Signing up and registering is free on our website. Just click on the register here link and fill out the appropriate information and you will be on your way to leaving your lifes legacy online forever.

We will send you a confirmation email once you have registered with us and then you can begin adding your lifes memories, blogs, recipes, photo gallery, and video on our website.

After you have logged into the website a new user menu will appear on the right hand side for your BEMORTAL user profile. You can then use all the different feature of our website. There will be a section for your Daily blog, your own webpage, your own photo gallery, your Video uploads, and your user profile. Click on the different menu items to get yourself used to using the different features. Once you are familiarized with all of the features you have then begin adding your lifes history.

Post as often as you like, upload as much of your life story as you want, create a questions and answer section for family and friends to be able to here your thoughts and points of view. Leave family recipes, wills, and last wishes. All of these features will be available to your family and friends forever and they will always be able to see and speak directly with you.

Your User Profile once you have registered and logged in to Bemortal.com. You must activate your account by checking your email and clicking the activation link.
